eFundYourHealth Success Stories

Allison T. / NJ

Raised \$1,600 to pay for treatments Crohn's / Ulcerative Colitis

Hospitalized for Ulcerative Colitis, I lost my job, business, home and savings. The medications offered didn't help. After six months of change in diet and supplements, I am in remission. Helped by Adria Rothfeld, DC: MS Clinical Nutrition, CNS

Matt T. / CA

Raised \$6,100 to pay for treatments Multiple Sclerosis

A two-time NY State Champion in track and field, one day I had extreme fatigue, numbness and muscle weakness. Diagnosed with MS, doctors gave me medicine and little hope. Changing my diet changed everything. Helped by Ann Boroch, CNC, Naturopath

Tyree T. / DC

Raised \$3,206 to pay for treatments Crohn's Disease

At age 18 diagnosed with Crohn's Disease, I lost 70 lbs., was unable to maintain my weight and couldn't go off to college. After three drugs failed to help, my doctor wanted to remove my colon. With help from a holistic MD, we healed my colon with nutrition and supplements and saved it. Helped by Ariane Cometa, MD - Integrative Medical Doctor; Family Medicine.

"Medical costs have outstripped our ability to fund health. eFundYourHealth helps bring badly needed resources to patients who want both conventional and alternative choices for their healthcare."
