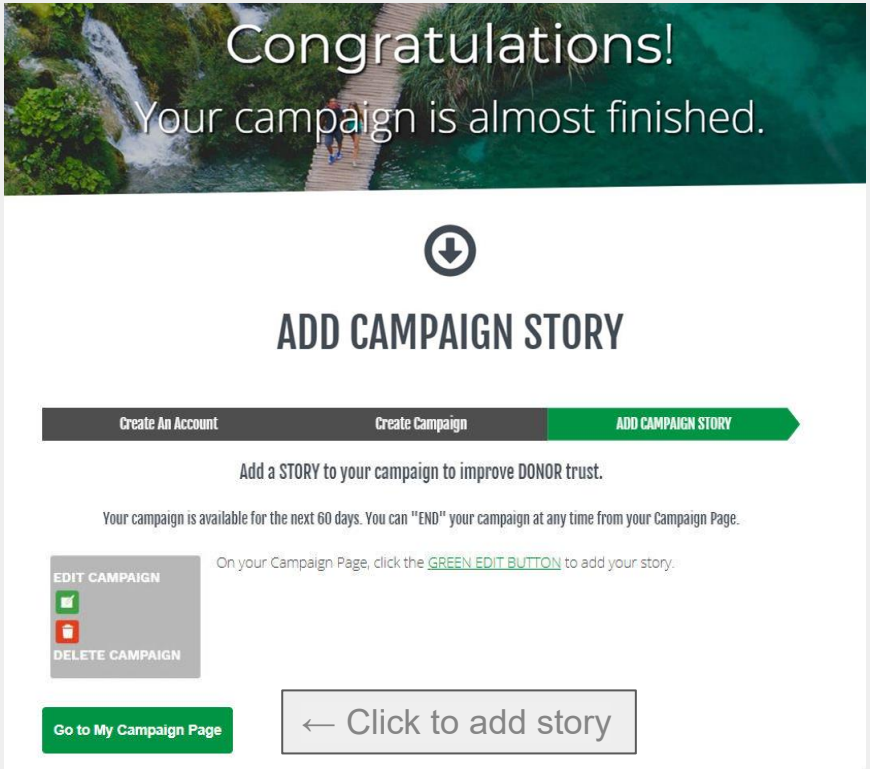
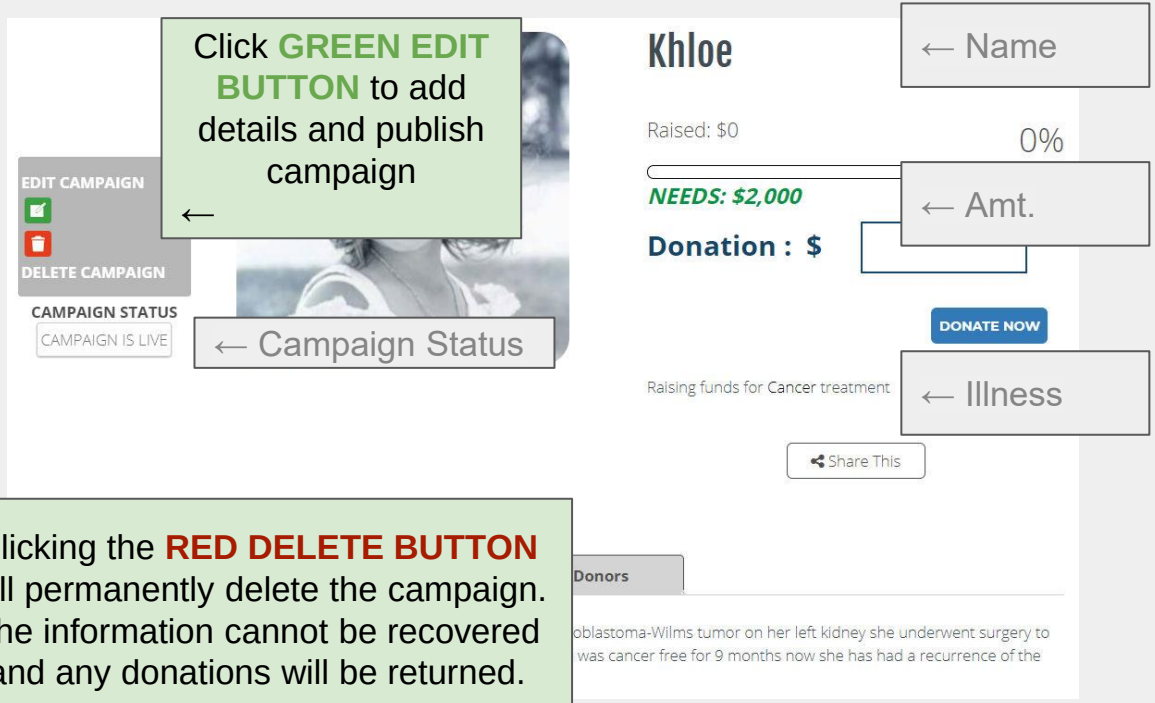
Educate
How to Add Details to Campaign



This is one page. Add Campaign Details is below the arrow

Campaign / Campaign Editor

https://efundyourhealth.org/campaigns-all/[illness]/[name]



Campaign Editor
Campaign displays the information from the Create a Campaign form

Clicking the **RED DELETE BUTTON** will permanently delete the campaign. The information cannot be recovered and any donations will be returned.

Campaign Editor

https://efundyourhealth.org/campaigns-all/[illness]/[name]

- Campaign ID →

Save / Close (closes editor and reloads page) →

← End Campaign (close to donors)

Add/Edit Story →

Campaign Editor: Story

https://efundyourhealth.org/campaigns-all/[illness]/[name]

Story*

This is the main feature of your campaign page to attract donors who are not in your inner circle.

Ideas to get you started:

- How has your life been affected?
- What are you doing to recover?
- Will the campaign impact your life?
- Who is on your wellness team
- How will your wellness team help?

EDIT STORY

After saving in the editor, you must click the SAVE button above to publish your story to the campaign.

← Click "**EDIT STORY**" to open →
